You are cordially invited to participate in a one-day course to train new scorers for the Texas Big Game Awards (TBGA).

The scoring school will be held Thursday, February 13th beginning at 9:00 a.m. and ending around 5 p.m. The course will be conducted by official Boone and Crockett scorers and TBGA scorers. Instruction will consist of classroom and hands-on training in the scoring of typical and non-typical white-tailed deer, typical and non-typical mule deer, pronghorn antelope, and javelina. Although there is no fee for the course, there are supply costs that participants will incur. Also, each attendee is responsible for their own meals.

Items you will need:

- A 1/4-inch steel measuring tape (marked in 1/8-inch increments) — you want a ring-end tape for measuring circumferences, such as this: [https://store.boone-crockett.org/collections/unique-b-c-gifts/products/b-c-measuring-tape](https://store.boone-crockett.org/collections/unique-b-c-gifts/products/b-c-measuring-tape).
- 2 small alligator clips

Cost of items and options:

- Participants will need to purchase and bring the above items with them. You can find all of the items on the Boone and Crockett web site listed above [www.boone-crockett.org](http://www.boone-crockett.org).
- If participants prefer, they can purchase the carpenter’s rule (with slide end) at most local hardware stores for about $15 or on the web at sites like [http://www.coastaltool.com](http://www.coastaltool.com).
